Going to the Chapel...Morning Watch Moment

Some of our favorite camp memories happen during our times together during Morning Watch. We sing together, hear and see inspirational skits, share why camp is important to us and enjoy the atmosphere of being in such a special place. Wouldn't it be great if we could get together in that chapel during the year to relive those meaningful camp moments? Well, now you can!

We are going to be bringing "Morning Watch Moments" to you from the Hollymont chapel to encourage your hearts and lift your spirits. And even though we won't physically all be together in the chapel, we will get a brief glimpse of our time together there. Different directors, central staff and parents will help bring these moments to you and we will post them to our website and Facebook pages.

Please let us know if you have any requests and give us your feedback. We look forward to bringing you back to the "mountain you love" through these moments.

Lake James Ski Trips– Camp Rockmont Style

Beginning in the Summer of 2015 Camp Hollymont will be partnering with Camp Rockmont to lead our ski trips to Lake James. Rockmont purchased a newer and faster boat last summer and has the capability of offering the same fun we have always had—waterskiing, wakeboarding, tubing and kneeboarding—but can also teach you how to wake surf. Our lifeguarding staff will accompany all of our trips and work alongside the Rockmont Ski Team to provide a fun, safe day on the lake. Sign up now to reserve your spot!
