## Pic-A-Skill... FUN with a twist

This summer saw the return of many of your favorite Pic-A-Skill choices: Self Defense, Homemade Beauty and Junior Lifeguarding to name a few. In addition we brought jump rope, creative coloring and karaoke into the mix for even more fun! What was your favorite Pic-A-Skill? What new ideas do you have for summer 2014? Email us your thoughts to [amy@hollymont.com](mailto:amy@hollymont.com), post it on our Facebook page or mention @camphollymont on Twitter with #hollymont2014 at the end.

## Staff Spotlight...

Congratulations to Matt and **Elizabeth (Overbey) Thomason** on the birth of their daughter, Anna Kathleen Thomason born September 16, 2013. We can't wait to meet this future Hollymont camper!

**Gracie Erwin** has recently started a blog for Hollymont campers and staff! It's full of encouraging words, funny stories and testimonies of God's faithfulness. Follow her at [captivatedbytruth.tumblr.com](http://captivatedbytruth.tumblr.com)

**Lolita Large**, Program Staff member and mom to A session camper Stephanie, recently showed her Hollymont Spirit by wearing her staff shirt to Green Day at her school. Way to go Lolita!

# Welcome to Hollymont!

Camp Hollymont is excited to welcome (back) Allie Denton to our full time staff team! Allie will join us full time in January as Assistant Director and will be working with Amy on camper recruitment, keeping up our social media sites and creating fun, new activities for you all to enjoy this summer! Here's what Allie has to say about coming back to Hollymont:

I spent my first summer as a Hollymont camper in 2001 and have been a CIT, counselor, and head counselor since. I still get excited butterflies in my stomach when I first turn onto campus for the summer.

I am from Oxford, Mississippi and am a graduate of the University of Mississippi. My hobbies include reading, writing, running and cooking. I love to travel! I studied abroad in South Africa during college where I jumped from the world's highest bungee jump and rafted the great Zambezi River of Zimbabwe. After graduating, I spent a year living in Istanbul, Turkey and Paris, France as a nanny. Nevertheless, the serene location and fun friends at camp make it my favorite place in the world!

I can't wait for summer 2014 to be here. Hollymont has a special place in my heart. I always slept in the top bunk, wrote home raving about the food, and my love for nature can be traced back to the rafting and camping trips. I crave tin foil dinners throughout the year and do a happy dance when I see the "Welcome to Hollymont" cake on the first night of camp. The Talent Show is one of my favorite night activities because I get to watch our campers show off their skills.

I look forward to making new memories with you guys this summer!
