

Introducing the 2015 Central Staff

Hummingbird Hall – Jane Campbell

This will be my 4th summer at Camp Hollymont!! I just finished my junior year at Florida Southern College and I live in Davidson, NC. Hollymont quickly became my favorite place in the world and I could not be more excited about coming back this summer and being on Hummer Hall again! I'm counting down the days until we are all back playing tribal games, having cookouts, and making new friends! I wouldn't want to be spending my summer anywhere else and I think it's going to be the best summer yet!

Cardinal Hall – Katie Kendall

Hey everyone! My name is Katie and I am from Charlotte, North Carolina. I just completed my sophomore year at Elon University where I am studying Marketing and involved with both my sorority Alpha Chi Omega as well as the Christian ministry, InterVarsity. Hollymont has been my home away from home for the past 7 years, and I can't wait to come back for another awesome summer! I am so excited for tinfoil dinners, morning watch, opening night cake, and especially the opening day of each session when I get to reconnect with all my friends as well as welcome all the new ones! I am praying for everyone as we prepare to go back to camp and I am excited

to see everyone!

Callie Shaw – Eagle Hall

Hey Guys! I'm Callie and this will be my 6th-ish summer at camp. I'm a missionary kid that grew up in Southern Africa, lived in Tennessee for a few years where I became a Paramedic, and now live in Wake Forest, North Carolina where I work as a Medic and am also finishing my Bachelor's in Christian Studies with a Minor in Student Ministry at Southeastern Seminary. Then I'll probably get a Seminary degree in Biblical Counseling. Basically school's a hobby...

I'm pumped to be back at camp this summer! I'm really looking forward to growing deeper in my walk with Christ as I encourage you guys to pursue your relationships with Him and grow in that. I'm excited to get to know new counselors and campers, and to deepen friendships with everyone that's coming back. It's going to be a great summer!

Marnie Burke - Trips & Transportation

Hey everyone!! My name is Marnie and I am so excited to be your trips and transportation coordinator again this summer. Last August I moved back to my hometown, Richmond, VA, after four wonderful years of living in the Spartanburg, SC and attending Wofford College. I have been working as an Instructional Assistant for a second grade class and am excited about pursuing a teaching career. In my free time I enjoy online shopping, cheering on Wofford basketball team (Go Terriers!) and spending time with my sweet basset hound, Fred. Hollymont has been my home away from home since 2004. Each summer I look forward to hall cookouts, morning watch, "Welcome to Hollymont" cake, and all the wonderful off campus trips! I am praying for you as you get ready for this summer. I cannot wait to return home and see everyone in just a few short weeks!!

Abbie Woten – CIT Leader

Hi! My name is Abigail Woten and I am going to be the CIT leader this summer. This will be my 10th year and I am so excited about spending another summer at Hollymont! I am from Asheville, NC but I go to school in Raleigh. I am a freshman at NC State University studying Engineering. I cannot wait to learn, grow, laugh, and make new friendships this summer!

Katie LeForce – Skills & Night Activities

Hi everyone! I'm so excited to be back at Hollymont for my 16th summer this year! Camp is one of my favorite places in the whole world, and I hope that it quickly becomes one of all of yours, too! I go to school at the University of Tennessee in Knoxville (Go Vols!) where I am a Language and World Business major with a concentration in Hispanic Studies. I will be studying abroad this fall with the Semester at Sea, which basically means I get to live and go to school on a cruise ship for 100 days and see the world! Outside of all of that, I love everything Disney and boys bands, specifically One Direction. I can't wait to meet everyone, camp can't come fast enough!
