

Hollymont Utility Crew

We are looking for a few good men!

Utility crew members must be hardworking, polite, well groomed, and articulate.

Each summer we hire several extra people to help us carry luggage and trunks on our opening and closing days and to prepare camp for incoming sessions.

Please review the application and the information sheet detailing work dates, salary, etc.

We completely understand if you have to miss one or two of the listed work dates. Mark out the dates you can't work on your application.

Before you can be hired, you must complete and return the application. We will contact you to set up a brief interview and we will do a reference check.

Please contact Amy Lewallen at 686-5343 if you have any questions.

Hollymont is an equal opportunity employer. Some positions are validated for specific physical or emotional abilities, gender, and/or religious traditions
