FROM THE DIRECTOR'S DESK: YESTERDAY, TODAY, FOREVER

BY: EMILY LEVY, CAMP DIRECTOR

Dear Hollymont Family,

I remember getting my first CD player when I was 10 years old. I thought CD's were the coolest invention and I loved being able to play my favorite songs whenever I wanted. I thought that CD's would be around forever, but we all know how that turned out! And if you're a camper who is scratching their head and thinking: "What is a CD?" well...I rest my case!

In a world where things are constantly changing, it can sometimes cause us to become fearful of what tomorrow will bring. We start to question who or what we can rely on. In Hebrews, God has given us His Word that Jesus will be the same today, just like He was yesterday, and just like He will be tomorrow and forever.

Even when the world seems like it is falling apart, we have the promises and comfort in knowing Jesus is with us. As Joshua 1:9 reassures, God will be with us wherever we go, so we don't have to be afraid or discouraged. All the trouble that comes in a constantly changing world isn't powerful enough to keep Him away from us.

Jesus remains the same. He hasn't and isn't changing. Not ever.

And unlike those who don't know Christ as their Savior, we can rest in Him. Like Proverbs 3:24 assures us, "When you lie down, you will not be afraid; when you lie down, your sleep will be sweet."

I am so excited to witness what God has in store for us this summer! I hope you will join me in praying that our campers and staff arrive with open hearts, ready to receive all that the Lord plans to teach us. See you SOON!

Love,
"Levy"
