

Mother - Daughter Camp 2023

**Hi,
I'm
Kathryn!**

I'm looking forward to being your head counselor this summer! I'm from Peachtree Corners, GA and finishing my sophomore year at the University of Alabama. This will be my 8th summer at Hollymont. It is my home away from home where I've made treasured memories and best friends! Most importantly, Hollymont has been the backbone for my relationship with Christ. I'm so excited to meet you this summer and share a glimpse of what this special place has to offer!

Welcome to Hollymont!

We are so excited to be just a few months away from living and learning with love and laughter in the beautiful mountains of Rabun Gap, Georgia. Not only will we be celebrating our 40th summer, but you are helping us make Hollymont history as our first Mother-Daughter camp participants! Over the next few weeks, you'll start receiving emails from us to help prepare you and your daughter for the **ULTIMATE** summer adventure together!

**Hi, my name
is MC!**

I'm excited to meet all of you for the first Mother - Daughter camp of MANY to come. Hollymont has been part of my life since I was 9 years old. I attribute much of who I am today to what I learned at camp. I'm blessed to send my daughter to Hollymont for the third summer. There's no better place for my best girl to grow spiritually, mentally, physically, and emotionally. She gets to create lifelong friendships and memories just like I did. I know camp will shape her like it did for me.

Mother - Daughter Camp 2023

**Hi,
I'm
Levy!**

Let me be the first to officially welcome you to the Hollymont family! As the Camp Director at Hollymont, I'm looking forward to celebrating my 15th summer by welcoming you to my second home!

I started attending Hollymont when I was nine years old and over the years, camp molded and shaped me into the woman I am today. You and I get to watch firsthand as your daughter thrives in our camp community. I can't wait to watch you and your daughter experience the most incredible summer camp experience.

Are you READY?!

We have been busy planning the BEST four days you'll experience at a summer camp! There are plenty of scheduled activities as well as time to enjoy your choice of recreation or simply relax. You'll quickly jump right into all of the camp activity, with a goal of providing you the most genuine Hollymont experience possible. Moms and daughters both get to experience the thrill of taking risks and building new friendships. Upon arrival, we have a Welcome Gathering to give you a chance to meet everyone, take a tour, and ask questions. Kathryn and MC, your Head Counselors, will make sure you and your daughter are ready to join the fun as soon as possible!
