About me:

I attended my first summer at Camp Hollymont when I was 10 years old, spending the next 11 summers learning, growing, and eventually becoming a counselor myself. I loved making memories with friendships that have lasted me to this day! I now act as the Camp Director, a prayer that God answered in 2019. I look forward to hopefully welcoming you to the Hollymont family and being a part of your girl's ultimate summer experience!
