

Camp Hollymont

Packing List and Packing Hints for 6-Day Session Campers

Basically, bring play clothes - shorts and shirts. Late evenings and early mornings can be cool. Make sure all clothing and shoes are well marked with a laundry pen or name labels. Beds will not be furnished. Please bring sheets, bedspread/blanket, pillows, and pillowcases. We also suggest bringing an old sleeping bag/towel/blanket that can be used for a few of our outside activities where campers are lounging in the grass.

No laundry service is provided for 13-day campers. During the session, we will monitor each cluster and wash a load of wet towels or dirty clothes as needed.

Hollymont's camp colors are green and blue. The camp store will be open for purchases during camp.

IMPORTANT, PLEASE READ:

Camp provides a unique opportunity for girls to disconnect from electronics and social media to enjoy simplicity and community. Therefore, we ask that telephone communication to or from home be limited to emergencies only. Otherwise, important lessons of independence and self-reliance beyond the home situation can be short-circuited by a quick call to or from home, and the opportunity to escape from social pressures is lost.

We request that your camper refrain from bringing her cell phone, smartwatch, and other devices for accessing social media. You are always welcome to call the office with any questions, concerns, or suggestions. Since camp days are action-packed and staff members are often leading camper activities, the office staff will take a detailed message and have the appropriate staff return your call when the camp schedule permits.

If your camper is traveling alone and has a communication device, please instruct her to give it to her counselor upon arrival at camp. It will be returned when your camper leaves camp. If your camper does not turn in her device on opening day and we have reason to believe she is in possession of such a device, we reserve the right to search and retrieve the item. If found, the device will be returned at the end of camp. We ask for your cooperation in maintaining this vital aspect of the camping experience.
